

Rental Application Criteria

The following information will be taken into consideration as we process all information for your new apartment home. Please be sure to provide all information so that we may insure timely and accurate processing. Each applicant must provide government photo identification and allow it to be photocopied. Thank you for giving us the opportunity to assist you in your apartment needs. There is a non-refundable application fee due at this time: \$30.00 per applicant. This fee is payable in money order or cashier's check.

RESIDENT HISTORY

One year of verifiable residency will be required so that we may review the history. Please be sure to provide all resident history consecutively with all the months included. We will need all appropriate phone numbers to contact past landlord(s). If resident history is questionable, depending on the severity, we may require co-signer or application may be denied. ****If there is an eviction or you owe a prior landlord, the application will be denied.**

CREDIT

Credit is required so that we may review payment history. In addition to verifying your credit we run a criminal background check. If credit has not been established, this will be considered good credit if at least 1 year verifiable rental history has been established. Family members will not be considered rental history unless legal documentation can be provided. If credit is questionable, depending on the severity, we may require a co-signer or application may be denied. A bankruptcy dismissed in the past 24 months will result in a denied application. An open bankruptcy will result in a denied application.

BACKGROUND CHECK

A criminal background check is performed on each applicant and guarantor. Any violent or sexually related convictions will result in a denied application. Any criminal convictions against applicant could result in a denied application, depending on severity of the offenses.

EMPLOYMENT/INCOME

One year of verifiable employment will be required with a gross monthly income of (3) times the rental amount. This shall be proven by a pay stub, new job offer letter, governmental or retirement statements, or tax return documentation. If current gross monthly income does not meet the above qualification, or we cannot verify one year of employment, a qualified guarantor may be required for approval.

GUARANTOR/CO-SIGNER

Applicants who are first-time renters or who do not have sufficient income may qualify by having the lease guaranteed by a co-signer/guarantor. The co-signer/guarantor must have an excellent credit rating, with a gross monthly income of five (5) times the rental amount, to be considered. The co-signer/guarantor must complete and sign a lease agreement. The co-signer/guarantor will be held responsible for the entire rent and other costs, such as damages, as long as you live at this property, even if you have roommates. An application fee will be required.

RESIDENT & PET REGISTRATION

PETSCREENING IS A REQUIRED PART OF THE APPLICATION PROCESS FOR ALL APPLICANTS

A welcoming environment is paramount to all of our residents with or without pets as well as animals. To help ensure ALL of our residents understand our pet and animal-related policies, we use a third-party screening service and require EVERYONE to complete a profile. This process ensures we have formalized pet and animal-related policy acknowledgments and more accurate records to create greater mutual accountability. If you need accommodation in another way, please contact your housing provider.

Please get started by selecting a profile category on our landing page: <https://engagemanagement.petscreening.com/>
